Urban Cocktails D. A. Webb 2021-12-29 D. A. Webb, the boldest new voice in the urban/street fiction genre, takes you on a “G” ride through the greedy streets of Houston, Texas, with Lonny Akbar (aka L. A.) who’s a former trap king and drug trafficker. Since he was released from federal prison, after pulling a ten-year bid, L. A. has a successful custom leather business with his wife, Olivia. He’s worked hard for five years building the business, then he finds himself thrust into the middle of a conspiracy being drawn up against him by the man who ratted him out and Special Agent Richard “D***head” Howard of the Drug Enforcement Administration, who is out to completely destroy Lonny this time. Just when things look bleak, it gets even worse when the words, “I know who threw that knife” are uttered. Lonny now has to make it through the intense situation. He also has to protect the woman he loves more than life itself; Olivia. It won’t be easy. Tune in to find out how Lonny protects his wife and his interest from the connivance of these two men.

Corvette Stingray Chevrolet 2021-01-18 The officially licensed Corvette Stingray: The Mid-Engine Revolution chronicles the full development story behind Chevrolet's re-imagined sports car with an engaging, detailed text and photography from GM's archives and Corvette team members. Corvette is Chevrolet's iconic performance car. Its importance to the brand cannot be overstated. Thus each new generation is sweated by Chevy's designers, engineers, marketing staff, and executives to ensure that it sets the bar higher than the preceding version. With the eighth generation, Chevrolet has done more than raise the bar or move the goalpost--they've torn down the stadium and started from scratch. For the first time ever in a production version, the new Corvette features a mid-engine configuration. Though Corvette engineers have experimented with this engine placement over the past several decades, 2020 marks the first time GM has committed it to production cars. Corvette already had prodigious power on tap, but its front-engine configuration put some limitations on its handling and traction. The new mid-engine Corvette eliminates any final performance barriers and takes the battle to supercar rivals like Ferrari, Lamborghini, and McLaren. It's the story every Corvette fan needs to read.

Women and Capital Punishment in the United States David V. Baker 2015-11-23 The history of the execution of women in the United States has largely been ignored and scholars have given scant attention to gender issues in capital punishment. This historical analysis examines the social, political and economic contexts in which the justice system has put women to death, revealing a pattern of patriarchal domination and female subordination. The book includes a discussion of condemned women granted executive clemency and judicial commutations, an inquiry into women falsely convicted in potentially capital cases and a profile of the current female death row population.

Mylovie.Com Pete Liebgood 2017-03-10 When police are slow to solve the disappearance of her best friend, Marci, Liz Falcone, owner of a crime scene cleanup company, sets out on her own to find her. When she subsequently learns that Marci was murdered, she initiates a campaign independent of law enforcement to solve what is becoming a cold case and to bring the person responsible to justice. In the process, she learns of the murders of four other women, all committed in the same fashion and all of whom were clients of the online dating website mylovie.com, which is owned and operated by her estranged husband, Noah Epps. Liz's vigorous search sets in motion a series of dizzying circumstances that lead to the capture of the murderer and the birth of a nationally televised reality show dedicated to solving cold cases. The show's first order of business is to shut down mylovie.com in order to prevent copycat murders. That action triggers another set of killings that hit too close to home for Liz's comfort and safety.
