Darth Plagueis James Luceno 2012-01-02 The Tragedy of Darth Plagueis the Wise: Once, not so long ago, there was a great Sith Lord called Darth Plagueis. So powerful and wise was Darth Plagueis that he could manipulate the dark side of the Force to save others from dying. Eventually Darth Plagueis became so powerful that the only thing he feared was losing his power. Then, as is the way of the Sith, he was murdered by his apprentice, Darth Sidious. So went the tale told by Chancellor Palpatine--Darth Sidious himself--to Anakin Skywalker, and since that moment in *Star Wars: Revenge of the Sith*, fans have clamored to know the true story of Darth Plagueis and Darth Sidious. This stand-alone novel is a dark and moving tale of two Sith and their quest for ultimate power over life and death....

Lockdown: Star Wars Legends (Maul) Joe Schreiber 2014-01-28 NEW YORK TIMES BESTSELLER Set before the events of *Star Wars: Episode I The Phantom Menace*, this new novel is a thrilling follow-up to *Star Wars: Darth Plagueis*. It's kill or be killed in the space penitentiary that houses the galaxy's worst criminals, where convicts face off in gladiatorial combat while an underworld gambling empire reaps the profits of the illicit blood sport. But the newest contender in this savage arena, as

demonic to behold as he is deadly to challenge, is fighting for more than just survival. His do-or-die mission, for the dark masters he serves, is to capture the ultimate weapon: an object that will enable the Sith to conquer the galaxy. Sith lords Darth Plagueis and Darth Sidious are determined to possess the prize. And one of the power-hungry duo has his own treacherous plans for it. But first, their fearsome apprentice must take on a bloodthirsty prison warden, a cannibal gang, cutthroat crime lord Jabba the Hutt, and an unspeakable alien horror. No one else could brave such a gauntlet of death and live. But no one else is the dreaded dark-side disciple known as Darth Maul. Praise for Lockdown “Schreiber . . . was a great choice for this novel, imbuing the story with a dark, foreboding tone while never quite stepping into the horror territories that Death Troopers and Red Harvest took us.”—Jedi News “Fans of the dark side should rejoice. Lockdown delivers a can’t-put-this-down tale of scum and villainy.”—Club Jade “[Lockdown is] an action-packed ride that spins one entertaining chapter after another. The multiple layers of story keeps readers guessing what will happen next and just who will live and who will die. . . . It certainly adds to the character of Darth Maul while matching [Darth] Plagueis’s complexity with sheer fun. . . . Five out of five metal bikinis.”—Roqoo Depot “Somehow, Schreiber is able to skate the line between hard-hitting prison story and the adventure and excitement I love from Star Wars in a way that doesn’t betray either genre. It’s really quite masterful.”—Big Shiny Robot “Lockdown is an exciting, engaging read. . . . It actually lines up beautifully for a sequel, which I, for one, would love to read.”—Coffee with Kenobi “The novel makes The Clone Wars better. It also illuminates The Phantom Menace. I think it’s the hallmark of the best tie-in fiction to resonate throughout other parts of the expanded universe in that way.”—Knights’ Archive “By the fiftieth page, I was hooked. . . . Lockdown is a wonderful ‘antihero’ novel, where it’s just fine to root for the villain, because there are even worse things out there. This book was so fun and

entertaining. I'll have to keep an eye out for more Star Wars books from Schreiber.”—Seattle Geekly

Tarkin: Star Wars James Luceno 2014-11-04 A long time ago in a galaxy far, far away. . . . Bestselling Star Wars veteran James Luceno gives Grand Moff Tarkin the Star Wars: Darth Plagueis treatment, bringing the legendary character from A New Hope to full, fascinating life. He's the scion of an honorable and revered family. A dedicated soldier and distinguished legislator. Loyal proponent of the Republic and trusted ally of the Jedi Order. Groomed by the ruthless politician and Sith Lord who would be Emperor, Governor Wilhuff Tarkin rises through the Imperial ranks, enforcing his authority ever more mercilessly . . . and zealously pursuing his destiny as the architect of absolute dominion. Rule through the fear of force rather than force itself, he advises his Emperor. Under Tarkin's guidance, an ultimate weapon of unparalleled destruction moves ever closer to becoming a terrifying reality. When the so-called Death Star is completed, Tarkin is confident that the galaxy's lingering pockets of Separatist rebellion will be brought to heel—by intimidation . . . or annihilation. Until then, however, insurgency remains a genuine threat. Escalating guerrilla attacks by resistance forces and newfound evidence of a growing Separatist conspiracy are an immediate danger the Empire must meet with swift and brutal action. And to bring down a band of elusive freedom fighters, the Emperor turns to his most formidable agents: Darth Vader, the fearsome new Sith enforcer as remorseless as he is mysterious; and Tarkin—whose tactical cunning and cold-blooded efficiency will pave the way for the Empire's supremacy . . . and its enemies' extinction. Praise for Tarkin “Tarkin tells a compelling tale of mystery while revealing much about a character who has fueled debate among fans since 1977, as well as the oppressive regime he represents. [James] Luceno has proven once again that the villains of Star Wars are as much fun as the good guys.”—New York Daily News “Another home run in the new canon . . . This is the highest and best distillation of Tarkin

stories, old and new, we've ever been given."—Big Shiny Robot  
"A spectacular novel, with the intrigue, action, and profound characterization we have come to expect from the pen of Luceno . . . [Tarkin] provides a nuanced, multi-faceted anti-hero who is captivating, ominous, and calculating; in many ways, this is an origin tale of the Empire [and] a fascinating portrait of one of the more popular characters in the Original Trilogy. It may very well be one my favorite Star Wars novels."—Coffee with Kenobi "A fascinating look at the pathos of one of the galaxy's most criminally underused characters."—TheForce.net

The Unifying Force James Luceno 2003 Luke, Mara, and Jacen fight a losing battle against the Yuuzhan Vong and vanish into unknown space, while the resistance prepares for an ultimate showdown.

Everything You Need to Know about Darth Plagueis Stuart Carapola 2017-11-29 Darth Plagueis The Wise has become one of the most infamous and interesting characters in Star Wars despite never appearing on screen. He was directly responsible for just about everything that happened over the course of the Star Wars movies, and unbeknownst to many, was even alive for most of Episode I. Darth Plagueis was a bit of a recluse, especially in his later years, so not much is known about him beyond the secondhand accounts of his former apprentice Palpatine. This book will dispel much of the mystery surrounding the famous Sith Lord by exploring his history, his relationship with the Emperor, and how the ripple effects of his actions are still being felt in the Star Wars universe today.

Dark Lord James Luceno 2006 Darth Vader, the evil emperor's powerful enforcer, sets out to eliminate all resistance to the Empire, a mission that reveals his true strength and role as the Emperor's iron fist.

But for the heroes of the New Republic, danger and loss are ever-present companions, even in this newly forged era of peace. Jedi Master Luke Skywalker is haunted by visions of the dark side, foretelling an ominous secret growing somewhere in the depths of space, on a dead world called Exegol. The disturbance in the Force is undeniable...and Luke's worst fears are confirmed when his old friend, Lando Calrissian, comes to him with reports of a new Sith menace. After his daughter was stolen from his arms, Lando searched the stars for any trace of his lost child. But every new rumor only led to dead ends and fading hopes-until he crossed paths with Ochi of Bestoon, a Sith assassin tasked with kidnapping a young girl. Ochi's true motives remain shrouded to Luke and Lando. For on a junkyard moon, a mysterious envoy of the Sith Eternal has bequeathed a sacred blade to the assassin, promising that it will give him answers to the questions that have haunted him since the Empire fell. War is tearing the galaxy apart. For years the Republic and the Separatists have battled across the stars, each building more and more deadly technology in an attempt to win the war. As a member of Chancellor Palpatine's top secret Death Star project, Orson Krennic is determined to develop a superweapon before their enemies can. And an old friend of Krennic's, the brilliant scientist Galen Erso, could be the key. after Krennic rescues Galen, his wife, Lyra, and their young daughter, Jyn, from Separatist kidnappers, the Erso family is deeply in Krennic's debt. Krennic then offers Galen an extraordinary opportunity: to continue his scientific studies with every resource put utterly at his disposal. While Galen and Lyra believe that his energy research will be used purely in altruistic ways, Krennic has other plans that will finally make the Death Star a reality. Trapped in their benefactor's tightening grasp, the Ersos must untangle Krennic's web of deception to save themselves and the galaxy itself.

Though the son of a Jedi master, Theron does not wield the Force—but like his renowned mother, the spirit of rebellion is in his blood. **Millennium Falcon: Star Wars Legends James Luceno 2009-03-31** Two years have passed since Jacen Solo, seduced by the dark side and reanointed as the brutal Sith Lord Darth Caedus, died at the hands of his twin sister, Jaina, Sword of the Jedi. For a grieving Han and Leia, the shadow of their son's tragic downfall still looms large. But Jacen's own bright and loving daughter, Allana, offers a ray of hope for the future as she thrives in her grandparents' care. And when the eager, inquisitive girl, in whom the Force grows ever stronger, makes a curious discovery aboard her grandfather's beloved spacecraft--the much-overhauled but ever-dependable Millennium Falcon--the Solo

family finds itself at a new turning point, about to set out on an odyssey into uncertain territory, untold adventure, and unexpected rewards. To Han, who knows every bolt, weld, and sensor of the Falcon as if they were parts of himself, the strange device Allana shows him is utterly alien. But its confounding presence—and Allana’s infectious desire to unravel its mystery—are impossible to dismiss. The only answer lies in backtracking into the past on a fact-finding expedition to retrace the people, places, and events in the checkered history of the vessel that’s done everything from making the Kessel Run “in less than twelve parsecs” to helping topple an evil empire. From the moment the Falcon broke loose from a Corellian assembly line like an untamed creature with a will of its own, it seemed destined to seek out trouble. It wasn’t long before the feisty YT-1300 freighter went from shuttling cargo to smuggling contraband. But it’s a fateful rendezvous on Coruscant, at the explosive height of the Republic/Separatist uprising, that launches a galaxywide cat-and-mouse game whose newest players are Han, Leia, Allana, and C-3PO. And they’ re not alone: Crime lords, galactic pirates, rogue politicians, and fortune hunters alike loom at every turn of the quest—each with his or her own desperate stake in the Millennium Falcon’s most momentous mission. Through the years and across the stars, from the Rim worlds to unknown points beyond, the race will lead them all to a final standoff for a prize some will risk everything to find—and pay any cost to possess. Dark Lord: Star Wars Legends James Luceno 2011-06-28

Throughout the galaxy, it was believed that Jedi Knight Anakin Skywalker—the Chosen One—had died on Coruscant during the siege of the Jedi Temple. And, to some extent, that was true. Anakin was dead. From the site of Anakin Skywalker’s last stand—on the molten surface of the planet Mustafar, where he sought to destroy his friend and former master, Obi-Wan Kenobi—a fearsome specter in black has risen. Once the most powerful Knight ever known to the Jedi Order, he is now a disciple of the dark side, a lord of the dreaded Sith, and the avenging right hand of the galaxy’s ruthless new Emperor. Seduced, deranged, and destroyed by the machinations of the Dark Lord Sidious, Anakin Skywalker is dead . . . and Darth Vader lives. Word of the events that created him—the Jedi Council’s failed mutiny against Supreme Chancellor Palpatine, the self-crowned Emperor’s retaliatory command to exterminate the Jedi Order, and Anakin’s massacre of his comrades and

Masters in the Jedi Temple—has yet to reach all quarters. On the Outer Rim world of Murkhana, Jedi Masters Roan Shryne and Bol Chatak and Padawan Olee Starstone are leading a charge on a Separatist stronghold, unaware that the tide, red with Jedi blood, has turned suddenly against them. When the three narrowly elude execution—and become the desperate prey in a hunt across space—it’s neither clone soldiers, nor the newly deployed stormtroopers, nor even the wrath of the power-hungry Emperor himself they must fear most. The deadliest threat rests in the hideously swift and lethal crimson lightsaber of Darth Vader—behind whose brooding mask lies a shattered heart, a poisoned soul, and a cunning, twisted mind hell-bent on vengeance. For the handful of scattered Jedi, survival is imperative if the light side of the Force is to be protected and the galaxy somehow, someday reclaimed. Yet more important still is the well-being of the twin infants, Leia and Luke Skywalker, the children of Anakin and his doomed bride, Padmé Amidala. Separated after Padmé’s death, they must be made safe at all costs, lest the hope they represent for the future be turned to horror by the new Sith regime—and the unspeakable power of the dark side.
