The Role of Sisters in Women's Development Sue A. Kuba 2011-04-01 Psychological theory has traditionally overlooked or minimized the role of siblings in development, focusing instead on parent-child attachment relationships. The importance of sisters has been even more marginalized. Sue A. Kuba explores this omission in *The Role of Sisters in Women's Development*, seeking to broaden and enrich current understanding of the psychology of women. This unique work is distinguished by Kuba's phenomenological method of research, rooted in a single prompt: "Tell me about your relationship with your sister." Rich in detail, the responses (many of which are reproduced at length within the book) provide a complex picture of sister relationships across the lifespan. Integrating these stories with current literature about gender and family composition for sisters of difference (disabled and lesbian sisters) and ethnic sisters, this book provides useful recommendations for therapeutic understanding of the significance of sisters in everyday life, integrating diverse perspectives in order to address the ways clinicians can enhance psychological work with women clients. A valuable contribution to the field of mental health, *The Role of Sisters in Women's Development* is highly recommended for therapists who wish to broaden their inquiry into the sister connection, as well as anyone who wants to further understand the importance of sisterhood.

The Sisters Brothers Patrick deWitt 2011-05-05 Now a major film starring Joaquin Phoenix, John C. Reilly, Jake Gyllenhaal and Riz Ahmed. Shortlisted for the 2011 Man Booker Prize, deWitt's dazzlingly original second novel is a darkly funny, offbeat western about a reluctant assassin and his murderous brother. Hermann Kermit Warm is going to die. Across 1000 miles of Oregon desert his assassins, the notorious Eli and Charlies Sisters, ride - fighting, shooting, and drinking their way to Sacramento. But their prey isn't an easy mark, the road is long and bloody, and somewhere along the path Eli begins to question what he does for a living - and whom he does it for. *The Sisters Brothers* pays homage to the classic Western, transforming it into an unforgettable ribald tour de force. Filled with a remarkable cast of losers, cheaters, and ne'er-do-wells from all stripes of life-and told by a complex and compelling narrator, it is a violent, lustful odyssey through the underworld of the 1850s frontier that beautifully captures the humor, melancholy, and grit of the Old West and two brothers bound by blood, violence, and love.

Biblical Multicultural Teams Sheryl Takagi Silzer 2011-09 *Biblical Multicultural Teams* speaks to the heart of cultural misunderstanding- our childhood upbringing. Sheryl Takagi Silzer is able in this work to provide both an honest look at her own cross-cultural experience and an astute academic understanding of cross-cultural communication. We all work and function in a multicultural world. The advice and wisdom in *Biblical Multicultural Teams* will thus enable you to take a hard look at assumptions and attitudes found in your team and to work on submitting them to biblical standards of interaction. Three Translations of The Koran (Al-Qur'an) side by side Anonymous 2022-06-13 "Three Translations of The Koran (Al-Qur'an) side by side" is an anonymous compilation of Koran translations. The Koran is one of the most important texts ever published, but, like many ancient writings, its translations can be up to interpretation. This book shows the similarities and differences between the three most popular English translations of this religious text in a fascinating show of what can change based simply on who performs a translation.

Sisters and Brothers Fiona Palmer 2018-08-28 A poignant novel of heartbreak, adoption and family secrets Emma, a nurse and busy mother of three, has always dreamed of having a sister. Michelle, at 46, wonders if it's too late to fall in love and find her birth parents. Sarah, career woman and perfectionist homemaker, struggles to keep up with the Joneses. Bill, 72, feels left behind after the death of his adored wife. Adam can't stop thinking about the father he never had. These five very different people are all connected but separated by secrets from the past. *Sisters and Brothers* will both break and warm your heart in a way that only bestselling Australian storyteller Fiona Palmer can. 'Her books are tear-jerkers and page-turners' Sydney Morning Herald 'Fiona Palmer just keeps getting better' RACHAEL JOHNS 'Heartbreak, love and sibling relationships' New Idea **Contains BONUS extract from Fiona's latest novel, *TINY WHITE LIES***

Courtship, Marriage and Marriage Breakdown Katie Barclay 2019-11-15 This book explores the history of marriage and marriage-like relationships across five continents from the seventeenth century to the present day. Across fourteen

chapters, leading marriage scholars examine how the methodologies from the new history of emotions contribute to our understanding of marriage, seeking to uncover not only personal feeling but also the political and social implications of emotion. They highlight how marriage as an institution has been shaped not just by law and society but also by individual and community choices, desires and emotional values. Importantly, they also emphasize how the history of non-traditional and same-sex relationships and their emotions have long played an important role in determining the nature of marriage as an institution and emotional union. In doing so, this collection allows us to rethink both the past and present of marriage, destabilizing a story of a stable institution and opening it up as a site of contest, debate and feeling.

How to Be Childless Rachel Chrastil 2019-07-31 In How to Be Childless: A History and Philosophy of Life Without Children, Rachel Chrastil explores the long and fascinating history of childlessness, putting this often-overlooked legacy in conversation with the issues that childless women and men face in the twenty-first century. Eschewing two dominant narratives, that the childless are either barren and alone, or that they are carefree and selfish, How to Be Childless instead argues that the lives of childless individuals from the past can help all of us expand our range of possibilities for the good life. In uncovering the voices and experiences of childless women from the past five hundred years, Chrastil demonstrates that the pathways to childlessness, so often simplified as "choice" and "circumstance," are far more complex and interweaving. Balanced, deeply researched, and richly realized, How to be Childless will empower readers, parents and childless alike, to navigate their lives with purpose.
