What The Heart Wants: A Gay Romance Collection Topher James What The Heart Wants: A Gay Romance Collection is a bundle of 3 steamy, sensual gay romance stories featuring sexy, passionate, and sweet M/M love stories. From brand new experiences, to new self-discoveries and awakenings, to lusty first times, and love that stands the test of time, these three gay romances by gay romantic fiction favorites Raiden King, Topher James, and Reya Karl will make you laugh, smile, cry, fan yourself, and leave you wanting more. Contained in this 300 page box set are the gay romance books A Second Chance, The New Assistant, and The Plan. * A Second Chance I never thought I'd love again. Even if I could, I didn't even know if I wanted to. I was betrayed... I had my heart broken. And I was in mourning... I lost a dear friend. Something inside me just shut down. I didn't want to go out. I didn't want to face the world. But then I saw him again... Keifer... the man who broke my heart. And it all came rushing back. The emotion, the fire... the heat... the memories... the rage. So I punched him. Yeah, I punched him real good. I thought it would be over. I never expected to keep thinking about him. I never expected that he... that he was still thinking about me. I always said to myself that I wouldn't give anybody a second chance. Cross me, and you're out, gone, and we're finished. But now I find myself changing my tune. I don't know if I'll be able to give him a second chance. But I know that I'm going to try... and we'll see where this goes. Because I still love Keifer. And doesn't love deserve a second chance? * The New Assistant I lost a lot that day. Almost everything. That day they still come to my door to ask me questions about. That day the reporters won't ever forget... I knew I would mourn... And I knew I would

grieve... But I never truly realized that... one day... I'd move on. It all started with my new assistant. His eyes looked into my soul. I felt as if I was falling into them. I became obsessed with him. Me, a man previously married to a woman! And here I was, fantasizing about a colleague at work, a subordinate, no less. What a cliché. But it was what I was feeling, and I was determined to keep it to myself. I failed, of course. Everything all started to unravel when I told him he was beautiful. And my world stopped dead. * The Plan Simon Bad break-up, moving to a new city, starting a new job. Who hasn't experienced that before? I expected this whole thing to be cliché and predictable. What I never expected was for my new boss, Greg, to be drop-dead gorgeous. Six-feet tall, endless eyes, and a sexy-as-sin body that I could explore every inch of. Just one problem, though... I don't know if he's gay. I can't stop thinking about my new boss... and of all the ways he could touch me. Of all the ways he could love me. I need a plan if I'm going to get this man. * Greg I never pass up an opportunity, both professionally and personally. So of course I took the opening to be the new project lead. And of course I took an interest in the new hire, Simon. What I didn't expect was chocolate eyes and gorgeous curls. What I didn't expect was to want to take Simon home the very first time I saw him. But there's a problem... he's my subordinate. I've never let rules stop me before, though. I'm going to make Simon mine, and he'll have to do what I say. *

Wanting His Professor Mark Pace 2017-09-18 "A little jealousy never killed anyone." Yet... Daniel Zenk is a typical college guy. Good-looking. Driven to succeed. A little too cocky. He differs from most of the other frat boy types on campus in one important way – Dan has the hots for his male English professor! Professor Jason Montell's sexuality smolders just beneath the surface of his hipster glasses and conservative blazer. The university instructor wants to instill a love of literature in his students while finding love in his personal life. The two worlds collide at the beginning of the fall semester and set a dangerous chain of events in motion. While implementing his plan to seduce the sexy older man, Dan crosses the line between interest and obsession. How far will the young man go to get Jason to give in to temptation? Like the characters in Medea they are studying in class, the professor and his student are about to discover that "Stronger than lover's love is lover's hate. Incurable, in each, the wounds they make."

Love on Location Lucy Felthouse When Theo Samuels heads off to film on location in the village of Stoneydale, he's expecting drama to take place on camera, not off. But when he meets gorgeous local lad, Eddie Henderson, he struggles to ignore his attraction. destined to remain as just that? Note: Love on Location has been previously released as part of the Brit Boys: On Boys boxed set.

Straight Boy Jay Bell 2018-10-18 I love him. And I'm pretty sure he loves me back... even though he's straight. When I first met Carter King, I knew he was something special. I imagined us being together, and we are, but only as friends. Best friends! I'm trying to be cool with that, even though I know he has secrets, and there have definitely been mixed signals. I don't want a crush to ruin what we already have. Then again, if there's any chance that we can be together, it's worth the risk, because Carter could be the love of my life. Or he might be the boy who breaks my heart. Straight Boy is Jay Bell's emotional successor to his critically acclaimed Something Like... series. This full-length novel tells a story of friendship and love while skirting the blurry line that often divides the two.

Sound Of Love: A Gay Romance Collection (M/M Romance Bundle) Topher James Sound Of Love: A Gay Romance Collection is the third bundle of 3 sensual and steamy M/M romances from authors Topher James, Raiden King, and Reya Karl, who previously brought you *Journey Of Love: A Gay Romance Collection*, and *What The Heart Wants: A Gay Romance Collection*. From sexy and sweet brand new experiences, to new self-discoveries and awakenings, to lusty first times, and to love that stands the test of time, these three gay romance stories will make you laugh, smile, cry, fan yourself, and leave you satisfied. Contained in this 350+ page box set anthology are the M/M romance books *Where You Least Expect*, *The Young Nurse*, and *The Reunion*. * *Where You Least Expect Love* is confusing. It intertwines with lust, with a base attraction so animal and powerful, it can make a man do things he shouldn't. It can make a man think things are one way... when they are the other. I thought I was in love with Terrence. He was everything I wanted in a man. But I slowly began to realize that I was just in love with the fantasy of him. Terrence in theory. And the person I was really falling in love with... the man who would stand by my side, love me, support me... Was someone I could never have imagined. Greg used to cruise for girls. Greg was

the ladies man on campus, a star athlete back in the day. And here he was... his gorgeous eyes looking right through me. And he's telling me that he's falling for me... And that this could be the beginning of our happily ever after. * The Young Nurse My marriage to my wife ended once the kids left the house. All of a sudden, we didn't know each other. We divorced. It was amicable. It's not exactly a new story. Here I am, forty-three, and in shape. Not to get too cocky, but let's just say I'm the kind of man my age who is *very* eligible. The problem? Every woman I've dated I've had no interest in. What exactly is wrong with me? Then I got sick. I had to stay in the hospital. That's where I met Taden, my young, handsome male nurse... ..And everything in my life changed. He asked if I needed help getting into the shower, and he helped me undress. His touch lingered on my skin like electricity. But I'm not gay. I'm attracted to women! So why do I find myself thinking about Taden every waking minute? Why do I fantasize about him in my dreams? And why do I desperately want to tell him... ..so he can touch me again? * The Reunion It all started with a chance encounter. I bumped into Gary in St. Ives, the sea-salty air whipping past us. His deep brown eyes stopped time itself, and the coppery hair that lined his chest sparkled in the sun. Little did I know that we were schoolmates way back when. An impromptu reunion, you could say. But I had no idea what lay in store for me. Gary invited me onto his yacht. Gary flirted with me. And before I knew it, every inhibition I had was crumbling. This was supposed to be a relaxing holiday. Who could have expected it would turn into a torrid affair with a gorgeous man? Who could have expected that happily ever after might just be on the itinerary? *

Ned would rather wallow in self-pity than spend Christmas with Bobby, even though they're the only two students on campus for the holiday. Can Bobby show Ned the holiday is better with someone to love?

Naughty Girls and Gay Male Romance/Porn: Slash Fiction, Boys' Love Manga, and Other Works by Female "Cross-Voyeurs" in the U.S. Academic Discourses Carola Katharina Bauer 2013-06-01 Despite the fact that there actually exists a large number of pornographic and romantic texts about male homosexuality consumed and produced by American women since the 1970s, the "abnormality" of those female cross-voyeurs is constantly underlined in U.S. popular and academic culture. As the astonished, public reactions in the face of a largely female (heterosexual)

audience of “Brokeback Mountain” (2005) and “Queer as Folk” (2000-2005) have shown, a woman's erotic/romantic interest in male homosexuality is definitely not as accepted as its male counterpart (men consuming lesbian porn). In the academic publications on female cross-voyeurs, the application of double standards with regard to male/female cross-voyeurism is even more obvious. As Karen Hellekson and Kristina Busse note in their "Introduction" to “Fan Fiction and Fan Communities in the Internet” (2006), slash fiction – fan fiction about male homosexual relationships mainly produced and consumed by women – has stood in the center of fan fiction studies so far, despite being merely a subgenre of it. The reason for this seems to be an urge to explain the underlying motivations for the fascination of women with m/m romance or pornography within the academic discourse – a trend which differs completely from the extremely under-theorized complex of men interested in "lesbians." It is this obvious influence of conventional gender stereotypes on the perception of these phenomena that provokes me to examine the way in which the works of female cross-voyeurism and their consumers/producers are conceptualized in the U.S. scholarly accounts. In many ways, this thesis explores unknown territories and respectively tries to take a closer look at academic problems that have not been adequately addressed yet.

Gay and Lesbian Elders Nancy J. Knauer 2016-04-15 The approximately two million gay and lesbian elders in the United States are an underserved and understudied population. At a time when gay men and lesbians enjoy an unprecedented degree of social acceptance and legal protection, many elders face the daily challenges of aging isolated from family, detached from the larger gay and lesbian community, and ignored by mainstream aging initiatives. Drawing on materials from law, history, and social theory, this book integrates practical proposals for reform with larger issues of sexuality and identity. Beginning with a summary of existing demographic data and offering a historical overview of pre-Stonewall views of homosexuality, author Nancy J. Knauer goes on to address the invisibility of this community. She examines the multiple double binds central to their identity formation, including ageism among gays and lesbians and homophobia among seniors. Further, the book focuses on specific legal concerns such as estate planning, housing, discrimination, and financial insecurity, and how they impact this community uniquely. Integrating theory with practical questions of policy, and advancing a new understanding of the construction of sexuality and identity, this book advocates meaningful new reforms designed to ensure equity and dignity in aging regardless of sexual orientation.

Road to Romance Peter Styles 2018-10-16 LUKEI have two mortal enemies - Max Stephens and whoever decided opposites should attract. He's everything I despise. Perfect looks, easy charm. The world falls at his feet the second he flashes a smile. We started our jobs at the same time, but we're up for the same promotion even though I stay all night while he leaves at five. I'm pretty sure I'm in love with him. I can't explain it, other than possible brain damage. He's everything I'm not. Everything I wish I could be. If I hadn't lost my parents so young. If my whole life wasn't about making my grandparents proud. If I still hadn't come out for fear of losing them. At least that keeps me from embarrassing myself with Max. But then life throws a curve-ball. Close confinement with my archenemy. Days on the road together for work. Forced to get to know him. Learn we're not so different, that the person beneath his charm is even hotter, because it has actual substance. Depth. Hopes. Dreams. Suddenly my crush isn't so bizarre. A future with him isn't just a fantasy. I could have the guy of my dreams...but only if I risk losing my last real family...MAX Everyone thinks my life's so perfect, but if that's true, why does my office crush hate my guts? Answer me that! It's not like I dream of a white picket fence and a dog with the guy. Much. I don't even know if he's gay. Every attempted interaction earns me a death glare, and I have no idea why. Then we're crammed in a car driving cross country. I get all the answers I ever wanted, and no idea what to do with them. Luke is gay. He doesn't really hate me. He likes me, maybe even more than likes me. Maybe a lot more, judging by the way he kisses me. But he's still in the closet. Even he doesn't know if he'll ever leave it. And he might not hate me now, but that could change

the second he learns he wasn't totally wrong about me having advantages he doesn't. After all, the boss deciding which of us to promote is my uncle... This 50,000 word office feud turned road trip romance has some sexy pit stops on the way to its HEA, so be eighteen and over before you buckle up!

Yet it was not until the early 1980s that star-crossed lovers became standard and the term "super couple" was coined by the media, marking a new era of experimentation and growth in daytime soaps. This book documents the phenomenon, tracing its history, legacy and impact on the soap opera industry and on popular culture at large. p.p1 {margin: 0.0px 0.0px 0.0px; font: 12.0px 'Times New Roman'}

I expected this. I knew there was always a chance that the boss would call me, would put me out on the streets over Christmas. I always knew it was a possibility. What I didn't know was that this would be a decision that would change my life. That I'd run into Chip. That I'd fall in love with him... ...and he with me. And that we'd spend passionate days together, trembling in the throes of white-hot ecstasy. I was in a bad place in my life, and this was a love I needed. An Emergency Love, if you will. This is our, hot, passionate, flawed, imperfect story of love. * The Secret I've kept a secret from my roommate and best friend for years. I'm obsessed with him. I fantasize about him. I dream about him. I yearn for him. I've kept it a secret because I know he's not into men. I know he's straight. I mean, something between us just isn't possible. But what would happen if he found out my secret? Would his world change? Could he even possibly change? I'm not sure... but I'm about to find out. Because my secret? ...It's not a secret anymore. No, the man I'm in love with found out. *
