Every Landlord's Guide to Managing Property Michael Boyer 2020-11-24 The property management guide that provides the best practical and legal compliance advice for the millions of small-time landlords who own a single-family home, condo, or small (less than four) multi-unit property. Companion to Every Landlord's Legal Guide.

Metaphysics, Meaning, and Modality Mircea Dumitru 2020-04-21 This book is the first edited collection of papers on the work of one of the most seminal and profound contemporary philosophers. Over the last five decades, Kit Fine has made thought-provoking and innovative contributions to several areas of systematic philosophy, including philosophy of language, metaphysics, and the philosophy of mathematics, as well as to a number of topics in philosophical logic. These contributions have helped reshape the agendas of those fields and have given fresh impetus to a number of perennial debates. Fine's work is distinguished by its technical sophistication, philosophical breadth, and independence from current orthodoxy. A blend of sound common-sense combined with a virtuosity in argumentation and constructive thinking is part and parcel of Kit Fine's lasting contributions to current trends in analytic philosophy. Researchers and students in philosophy, logic, linguistics, and cognitive science will benefit alike from these critical contributions to Fine's novel theories on meaning and representation, arbitrary objects, essence, ontological realism, and the metaphysics of modality, and will come away with a better understanding of the issues within contemporary analytic philosophy with which they deal.

The Anarchist Cookbook William Powell 2018-03-11 The Anarchist Cookbook will shock, it will disturb, it will provoke. It places in historical perspective an era when "Turn on, Burn down, Blow up" are revolutionary slogans of the day. Says the author "This book... is not written for the members of fringe political groups, such as the Weatherman, or The Minutemen. Those radical groups don't need this book. They already know everything that's in here. If the real people of America, the silent majority, are going to survive, they must educate themselves. That is the purpose of this book." In what the author considers a survival guide, there is explicit information on the uses and effects of drugs, ranging from pot to heroin to peanuts. There i detailed advice concerning electronics, sabotage, and surveillance, with data on everything from bugs to scramblers. There is a comprehensive chapter on natural, non-lethal, and lethal weapons, running the gamut from cattle prods to sub-machine guns to bows and arrows.

Even people of modest means can get into pre-foreclosure investing—all it takes is a little hard work, persistence, and the tools you'll find in this handy guide.

Deep Work Cal Newport 2016-01-05 Read the Wall Street Journal Bestseller for "cultivating intense focus" for fast, powerful performance results for achieving success and true meaning in one's professional life (Adam Grant, author of Give and Take). Deep work is the ability to focus without distraction on a cognitively demanding task. It's a skill that allows you to quickly master complicated information and produce better results in less time. Deep Work will make you better at what you do and provide the sense of true fulfillment that comes from craftsmanship. In short, deep work is like a super power in our increasingly competitive twenty-first century economy. And yet, most people have lost the ability to go deep—spending their days instead in a frantic blur of e-mail and social media, not even realizing there's a better way. In Deep Work, author and professor Cal Newport flips the narrative on impact in a connected age. Instead of arguing distraction is bad, he instead celebrates the power of its opposite. Dividing this book into two parts, he first makes the case that in almost any profession, cultivating a deep work ethic will produce massive benefits. He then presents a rigorous training regimen, presented as a series of four "rules," for transforming your mind and habits to support this skill. 1. Work Deeply 2. Embrace Boredom 3. Quit Social Media 4. Drain the Shallows A mix of cultural criticism and actionable advice, Deep Work takes the reader on a journey through memorable stories—from Carl Jung building a stone tower in the woods to focus his mind, to a social media pioneer buying a round-trip business class ticket to Tokyo to write a book free from distraction in the air—and no-nonsense advice, such as the claim that most serious professionals should quit social media and that you should practice being bored. Deep Work is an indispensable guide to anyone seeking focused success in a distracted world. An Amazon Best Book of 2016 Pick in Business & Leadership Wall Street Journal Business Bestseller A Business Book of the Week at 800-CEO-READ

Renting Out Your Property For Dummies Melanie Bien 2011-11-08 Everything potential landlords need to know about the UK rental market Renting Out Your Property For Dummies is the essential roadmap to successful property letting. The Landlord Entrepreneur Bryan M. Chavis 2017-09-05 From the author of the real estate investment bible Buy It, Rent It, Profit! comes a fresh guide to teach new and aspiring landlords how to go from managing a single rental property to successfully managing a large rental portfolio. In his first book, real estate expert Bryan Chavis created the ultimate how-to guide for buying and managing rental properties, with practical, realistic ways to build lasting, long-term wealth. Now, he takes his acclaimed program one step further. The Landlord Entrepreneur shifts the focus from dealing exclusively with residential real estate to building a dynamic property management business. By following the step-by-step instructions in this new guide, anyone can create a fully functioning, professional property management company in only ten days. With Chavis's modern take on real estate, you will learn the five phases of property management and the skills needed to successfully move through them—as well as the hacks and tricks to build your profitable business from the ground up. Full of smart, practical business advice, The Landlord Entrepreneur is the only guide you need to become a successful property manager in today's real estate market.

Property Management For Dummies Griswold 2011-03-16 You'll need to wear many hats in the business of property management: advertiser/promoter (in seeking tenants), host (in showing your property), handyman (in keeping up with and arranging repairs), bookkeeper (in maintaining records), and even counselor (in dealing with tenants and their problems). But Property Management For Dummies will help you maintain your sense of humor — and your sanity — as you deal with these challenges and more. You may become an unintentional property owner — someone who inherited a house from a relative and didn't want it to sit idle, or someone who transferred to a job in another city and decided to rent your home rather than sell it — or you may have entered the world of property ownership intentionally. Either way, real estate offers one of the best opportunities to develop a steady stream of residual income. Property Management For Dummies is organized by specific topic areas, so you can easily and quickly scan a topic that interests you, or you can troubleshoot the source of your latest major headache. You'll discover how to Evaluate your skills and personality to see whether you have what it takes to be a landlord Keep your units occupied with paying tenants who don't destroy your property Move in your new tenants and move them out — and everything in between Assemble the right team of professionals to help you, from employees to contractors Insure your property and understand the taxes that go with it Look for additional sources of income beyond rent, including the opportunities and pitfalls of lease options While many of life's lessons can be uncovered by trial and error, property management shouldn't be one of them — the mistakes are too costly and the legal ramifications too severe. In this book, you'll find proven strategies to make rental property ownership and management not only profitable but pleasant as well.

The Landlord's Kit Jeffrey Taylor 2002 Taylor provides a complete set of ready-to-use forms, letters, and notices to increase profits, take control, and eliminate the hassles of property management. Consumable.

The Property Management Tool Kit Mike Beirne 2006 "Making money through real estate investments isn't as simple as buying up property and hoping for the best -- you have to know what you're doing. The fact is, how you manage a property directly affects how profitable it will be. The Property Management Tool Kit goes beyond

the basics, giving you all the guidance you need to successfully manage your properties, avoid pitfalls, and make a profit. You'll find out how to: * Add value to your property, including which improvements to make or avoid * Address legal concerns, tenant issues, and administration and maintenance * handle monetary factors such as cash flow, record-keeping, and rent collection * Expand your portfolio and establish financial goals * Hire a team, partner with vendors, and use advertising In addition, you'll find helpful management tools: a market survey; rental criteria; and sample documents and forms, including a rental application, a lease, a guest screening card, rules and regulations, renewals, a vacancy report, a maintenance log, and much more. Practical and informative, this is the one book you need to successfully manage your properties."

Foreclosure Investing For Dummies Ralph R. Roberts 2011-02-10 With the housing bubble of the past few years bursting and interest rates on the rise, there has been an upsurge in the number of foreclosures across the country, creating many opportunities for profit. But investing in real estate foreclosure[s?] can be a tough job, especially when a negative stigma is attached. How do you make money while preserving your morals and trust? *Foreclosure Investing For Dummies* shows you how to invest in foreclosures ethically without being accused of stealing homes from "little old ladies." This step-by-step guide helps you thoroughly research property, find the best opportunities, purchase foreclosures, and avoid misleading distressed homeowners. This book doesn't promise quick profits through minimal work, but it will provide you with invaluable information to become a successful investor, including: Identifying opportunities and understanding risks Obtaining information, tools, support, and resources Locating properties prior to foreclosure Assisting homeowners through the foreclosure process Acquiring properties below market value prior to the auction Buying property at an auction, from lending institutions, and government agencies Repairing, renovating, and selling or leasing property This book provides tips and strategies for refinancing your property and maximizing your profits. It also gives you advice on how to assist homeowners, have them work with you, and common mistakes you should avoid. It's time to go out and make the most of foreclosure investing, and with *Foreclosure Investing For Dummies* by your side, your hard work and devotion will bring tons of success!

The Book on Managing Rental Properties Brandon Turner 2015-10-28 No matter how great you are at finding good rental property deals, you could lose everything if you don't manage your properties correctly! But being a landlord doesn't have to mean middle-of-the-night phone calls, costly evictions, or daily frustrations with ungrateful tenants. Being a landlord can actually be fun IF you do it right. That's why Brandon and Heather Turner put together this comprehensive book that will change the way you think of being a landlord forever. Written with both new and experienced landlords in mind, *The Book on Managing Rental Properties* takes you on an insider tour of the Turners' management business, so you can discover exactly how they've been able to maximize their profit, minimize their stress, and have a blast doing it! Landlord's Legal Kit For Dummies Robert S. Griswold 2014-06-02 The landlord's essential guide to residential rental law *Landlord's Legal Kit For Dummies* is a comprehensive guide to the laws and legalities of renting property. This one-stop legal reference provides both guidance and the correct forms that help landlords avoid tenant issues, which could lead to legal ramifications. From screening potential tenants to handling your own insurance and taxes, you'll find expert insight in this easy-to-read style that simplifies complex legal matters into understandable terms. The book includes access to all the needed legal forms in both English and Spanish, and contains current information about applicable codes, ordinances, and policies across the country. Landlords have a responsibility to provide a safe, fully operational home for their tenants, and oversights can result in major court settlements. As a landlord, you need to know what the law requires of you. You also need to understand your rights, and the actions available to you when the tenant is in the wrong. This resource brings you up to speed, with the most current information about residential rental property law. The book covers privacy rights, domicile laws, paperwork, and more. Features up-to-date lease forms and contracts available for download online Provides information about applicant screening questionnaires and anti-discrimination policies Includes state and local building codes, health ordinances, and landlord-tenant laws Instructs you how to handle breach of lease situations and evictions There's even guidance on hiring a lawyer to protect your assets, property, and rights. Ignorance of the law is no excuse in court, and it frequently leads to misunderstandings that can hurt your wallet and your reputation. Before you lease another property, get all your ducks in a row with the essential instruction and tools in *Landlord's Legal Kit For Dummies*.
